

Blow Dry Lotion (Style Control ①)

6.7 fl. oz. / 198 ml

A lightweight lotion that gives a smooth silky finish with heat protection. Provides thermal and UV protection plus humidity control. Keeps hair hydrated with no fly aways.

BENEFITS

- Smoothes, eliminates frizz and resists humidity
- Provides thermal protection
- Delivers nourishing moisture with a non-greasy feel
- Gives effortless brush glide when blow drying to reduce breakage

KEY INGREDIENTS

- Macadamia Oil – Omega 7, 5 and 3 fatty acids provide weightless moisture
- Argan Oil – Omega 9 fatty acid repairs and strengthens
- Pistachio Oil – Protects against environmental extremes
- Olive Oil – Maintains color and provides shine
- Jojoba Oil – Moisturizes skin and hair
- Coconut Oil – Strengthens and fortifies the hair shaft
- Hydrolyzed Rice Protein – Provides lightweight moisturization & healing properties
- Keratin Amino Acids – Provide lightweight moisturization & healing properties
- Color Safe and Cruelty-Free

APPLICATION

- Apply a quarter-size amount to damp hair. Comb through hair, roots to end. Blow dry using Macadamia Hot Curling Boar Brush

IN A NUTSHELL...

Macadamia Professional's exclusive PRO Oil Complex, a blend of therapeutic Macadamia and Argan Oils. Rich in Omega 7, 5, 3 and 9, mimics scalp's natural oil production to renew hair's natural texture with healthy shine, bounce, and manageability.

Macadamia Oil

KEY SELLING POINTS

- Filled with the highest amount of Omega 7 fatty acid than any other nut oil
- Most closely resembles human sebum, and thus mimics scalp's natural oil production
- Provides deep nourishment and moisturization
- Exceptional absorption and penetration from the inside out vs. conditioning just the surface of the hair shaft
- Remarkably lightweight and non-greasy with no build up

Argan Oil

KEY SELLING POINTS

- Rich Oil filled with Omega 9 fatty acid, antioxidants and Vitamin E that improves strength
- Renews damage and restores shine and softness to dry, brittle hair
- Helps to balance sebum production

Activating Curl Cream (Style Control ②)

5 fl. oz. / 148 ml

A lightweight, non sticky cream that activates and supports soft, fine curls that tend to droop. Defrizzes, keeps curls shapely and resilient.

BENEFITS

- Activates and defines shapely curls and waves
- Supports curls, while still providing a soft, touchable finish
- Helps to fight frizz and flyaways weightlessly

KEY INGREDIENTS

- Macadamia Oil – Omega 7, 5 and 3 fatty acids provide weightless moisture
- Argan Oil – Omega 9 fatty acid repairs and strengthens
- Pistachio Oil – Protects against environmental extremes
- Hydrolyzed Soy Protein – Provides moisturization
- Hydrolyzed Amaranth Protein – Provides conditioning
- Color Safe and Cruelty-Free

APPLICATION

- Apply a small amount to damp hair. Diffuse to activate and enhance curls or air dry for a natural look

Taming Curl Cream (Style Control ③)

5 fl. oz. / 148 ml

A defining curl cream that softens and defrizzes medium to coiled textures. Keeps curls tamed and controlled.

BENEFITS

- Defines full-bodied, touchable curls
- Controls unruly curls while still providing a light, crunch-free feel
- Fights humidity for frizz control and tames flyaways for a flawless look

KEY INGREDIENTS

- Macadamia Oil – Omega 7, 5 and 3 fatty acids provide weightless moisture
- Argan Oil – Omega 9 fatty acid repairs and strengthens
- Pistachio Oil – Protects against environmental extremes
- Coconut Oil – Strengthens and fortifies the hair shaft
- Grape Seed Oil – Provides moisturization and regeneration
- Jojoba Oil – Moisturizes skin and hair
- Color Safe and Cruelty-Free

APPLICATION

- Apply small amount to damp hair. Diffuse or air dry for a natural look. Apply during the day for added frizz control

Whipped Detailing Cream (Style Control ②)

2 oz. / 157 grams

A whipped, creamy detailer that creates definition, pieceyness and texture with no residue. Tames fly aways. Perfect for detailing a finished look with workable style.

BENEFITS

- Creates definition while maintaining a natural look and feel
- Adds smooth control without build-up or added weight
- Absorbs excess sebum for lift
- Keeps hair soft and moveable with shine and healthy bounce

KEY INGREDIENTS

- Macadamia Oil – Omega 7, 5 and 3 fatty acids provide weightless moisture
- Argan Oil – Omega 9 fatty acid repairs and strengthens
- Pistachio Oil – Protects against environmental extremes
- Carnuba Wax – Adds shine
- Glycerin – Retains moisture
- Color Safe and Cruelty-Free

APPLICATION

- Apply in small amounts and thoroughly emulsify the product in palms before applying to the hair. Re-apply as needed based on the length, thickness and texture of hair

Foaming Volumizer (Style Control ①)

6 oz. / 171 grams

A whipped, airy mousse that gives body, lift and shine leaving hair weightless with no residue build-up. Conditioning agents detangle prior to styling. Contains heat protection.

BENEFITS

- Creates weightless body and volume without stiffness for limp, lifeless hair
- Detangles and controls frizz to leave hair smooth
- Keeps hair soft and moveable with shine and healthy bounce

KEY INGREDIENTS

- Macadamia Oil – Omega 7, 5 and 3 fatty acids provide weightless moisture
- Argan Oil – Omega 9 fatty acid repairs and strengthens
- Pistachio Oil – Protects against environmental extremes
- Tapioca starch – Absorbs excess oil and increases volume
- Kaolin – Cleanses the scalp of residue
- Color safe and Cruelty-Free

APPLICATION

- Shake well. Dispense an egg-size amount of product into palm and distribute evenly throughout damp hair from roots to ends. Style as desired
